some - day will come one day soon to you

The sun has left
and forgotten me
it's dark, I cannot see
Why does this rain pour down

I'm gonna drown
in a sea of deep confusion
Somebody told me
I don't know who

Whenever you are
sad and blue
And you're feelin' all
alone and left behind

Just take a look inside
and you will find
You gotta hold on
hold on through the night

Hang on, things will
be all right
Even when it's dark
and not a bit of sparkling

Sing-song sunshine
from above
Spreading rays of
sunny love just

Hang on, hang on to the vine
stay on, soon you'll be divine
If you start to cry
look up to the sky

Something's coming up ahead
to turn your tears
to dew instead
And so I hold on to this advice

when change is hard
and not so nice
If you listen to your heart
the whole night through

Your sunny someday will
come one day soon to you
